**About DuPage County and the DuPage Convention & Visitors Bureau**

DuPage County is the second most populous county in Illinois after Cook County, which borders it to the north and east. Together, the two counties account for half of the state's population. One of the nation's wealthiest counties, DuPage is rich in many types of commerce and is second only to Cook in tourism revenue. With its well-developed highway and mass transit system, DuPage is easily accessible from O'Hare and Midway Airports, as well as the City of Chicago.

Established through the efforts of a coalition of DuPage area hotel executives and business representatives in 1987, the DuPage Convention & Visitors Bureau was formally certified in 1989 by the State of Illinois as the official agency to promote the county's multi-billion dollar tourism industry and market DuPage County as an enticing destination for leisure and business travelers, meeting planners, groups and conventions, in order to enhance the economic development of the area.
